see ourselves as more than a  
church: **We are a family!**

## Habitat for Humanity

From Dean Roder: *We had another hard-working team drywalling in 90+ temperatures last weekend! We have done just shy of 250 hours already this year and 500 over the past 3 years! Thank you! I am awaiting additional days for St Francis to fill for Sept and/or October and will let you know when I have another date or two.*

*Habitat is doing a house that's being built by a number of Catholic parishes and some volunteers from the archdiocese (St Francis kind of led the way on this a couple of years ago. We were the only Catholic parish involved). For that house, we can sign up individually to work alongside other parish volunteers -- use this link to scan the dates and to sign up if you wish --> <http://archdiocese.mkehabitat.volunteerhub.com/>. Scanning the list, it looks like there are about 7 dates listed, mostly framing.*

*Please sign up there if you wish, and pass this along to other friends/family who may want to volunteer. Please let me know if you sign up for any days so I can join you if possible!*

### Online sign up

- \* Team members start by going to: <http://archdiocese.mkehabitat.volunteerhub.com/> \ - no join code is needed.
- \* Please note that each volunteer will both "create an account" as a user (or sign in if the system has been used previously) **AND** register for an event.
- \* Volunteers will receive one email about creating an account.
- \* During the registration process volunteers will have the opportunity to receive an email with confirmation materials.
- \* A reminder email with the same information is also sent 2 days ahead of time.
- \* By having each individual's contact information it allows us to be in contact in case of changes in the day or bad weather.
- \* Volunteers can contact Beth at [bvangorp@milwaukeehabitat.org](mailto:bvangorp@milwaukeehabitat.org) if they have any problems with the system.
