Care for Creation: One way that the Family of Four parishes are committed to engage in the ongoing work of environmental awareness is by offering a NEW JustFaith module entitled, "Sacred Land: Food & Farming." This is an eight-session small group program that celebrates our interconnectedness with the land and those who live on it. Together, participants will explore how food and farming practices affect the climate crisis, marginalized communities, and their own health and spiritual wellbeing. These sessions will be held on Wednesday evenings, from 6-8 pm, at various outdoor locations, starting on June 23. In the event of inclement weather, we will move to Zoom. Please email Laura Hancock at lhancock@ffpmke.org if you'd like to learn more or to sign up!
