Guns are the leading cause of death for US children and teens, since surpassing car accidents in 2020. Firearms accounted for nearly **19%** of childhood deaths (*ages 1-18*) in **2021**. Nearly 3,600 children died in gun-related incidents that year. That's about five children lost for every 100,000 children in the United States. In no other comparable country are firearms within the top four causes of mortality among children.

The shooting at ***The Covenant School in Nashville*** on Monday March 27th, marks the 16th shooting this year in grades K-12 and the deadliest since the school shooting in Uvalde, Texas, last year.

Six people - three children and three adults were killed.

There have been 130 mass shootings so far in 2023.

*Thank you to all who attended the Revival last week with **Fr. Ken Hamilton** (pictured). It was a beautiful way to celebrate Lent. Our special thanks go to the choir that did a fantastic job two nights of the Revival!*

*Gracias a todos los que asistieron al "Revival" con el **Padre Ken Hamilton** (en la foto) la semana pasada. Fue una manera hermosa de celebrar la Cuaresma. Nuestro agradecimiento especial al coro que hizo un trabajo fantástico durante las dos noches del "Revival."*
